BEFORE THE CALIFORNIA PUBLIC
UTILITIES COMMISSION

Order Instituting Rulemaking to Consider the Adoption
of a General Order and Procedures to Implement the
Digital Infrastructure and Video Competition Act of
2006.

Rulemaking 06-10-005
(Filed November 16, 2006)

NOTICE OF EX PARTE COMMUNICATION OF THE GREENLINING INSTITUTE

Pursuant to Rule 1.3 of the California Public Utilities Commission (“CPUC”) Rules of Practice and Procedure, notice is hereby given that The Greenlining Institute had an *ex parte* communication with Commission President Michael Peevey on Tuesday, November 14, 2006 at the offices of the CPUC in San Francisco, CA. This meeting was attended by Mark Rutledge, Telecommunications Fellow at Greenlining, and Thalia Gonzalez, Legal Counsel for Greenlining. Communication during the meeting revolved around, Greenlining’s expressed opinions on the role the CPUC will play in awarding statewide franchises to video and cable providers. Greenlining provided a brief summary of what it hopes to see included in the final decision in this rulemaking.

Respectfully submitted November 16, 2006 at San Francisco, California.

THE GREENLINING INSTITUTE
